PUFF PASTRY

ANSWERS TO FREQUENTLY ASKED QUESTIONS:

- Puff Pastry is sold in pre-sheeted rolls, sold by weight, at a price of \$8.40 / kg. – As of January 2025 (price is subject to change at any time)
- On average, each roll weighs approximately 1 kg. and measures 24" x 18" - However the puff pastry is sheeted and cut by hand so dimensions may vary.
- As with all our products, there is no preservatives in the Puff Pastry. It can last for up to 3 days in the fridge. Freezing the Puff Pastry is always recommended for maximum freshness.
- We do not use any animal or animal by-products in our puff pastry.
 - The fats used are certified sustainable, **non-hydrogenated palm oil & canola oil**. Our Puff Pastry is **Vegan**:
 - No Milk / Dairy Products
 - No Lard
 - No L-cysteine
 - No gelatin

Full ingredients: Unbleached flour, Water, Non-hydrogenated (certified sustainable) palm oil, (non-GMO) Canola oil, Salt.

Quantity Limits: Quantities may be limited; we will strive to have at least 5 rolls available per person for walk-in purchases.

To guarantee quantities, preordering (one day ahead of time) is highly recommended for all purchases, but especially purchases of over 8 rolls.
